May 2009

Dear Norwood Community Member:

In today's world we have learned to conserve and save our resources. Our small, but busy, Norwood Library has always "recycled" by providing us with books, magazines, DVDs and CDs, as well as in-house reference materials and computers for internet searches.

Happily, we all use the Library's materials and programs frequently. Of the 6,000+ Norwood residents, 2,785 hold library cards. Since January 2009 they have borrowed 14,423 items through our Library and the Bergen County Cooperative Library System.

Recently, we have been given the opportunity to use the downstairs in the building. In the future, we hope to use this space for the children's library and activities and more room for local groups to meet. If this idea becomes a reality, we will be able to increase the adult collection and information access.

We are asking you to help us maintain our current services and enable future programs. Your Tax Deductible contribution will help and be very much appreciated. You may use the enclosed return envelope. If your gift is \$25 or more you may request a bookplate with your name, or someone you would like to honor, by completing the enclosed Dedication Card. We also would like to hear your thoughts and ideas about our Library. Thank you.

Sincerely,

The Norwood Public Library Trustees and Staff
