

Birthday Book Club Program

Birthdays are special days, and you can make a child's birthday even more memorable by honoring them in a unique way that will last for years...donate a new book to the Norwood Public School Library! This will allow your child to share this special day with classmates and with others who will follow.

Here's how it works:

- Complete the form below, detach and return it to the Norwood Public School Library, along with a check for \$15. Please make checks payable to the Norwood Public School Library and mark the envelope Birthday Book Club.
- Your child will be able to select a book from newly purchased age appropriate library books. Each book that is donated will have a personalized book plate placed on the inside of the book. Your child will be the first to check out the book. When the book is returned, it will be placed in our school book collection for the other students to check out and enjoy, and it becomes a permanent part of our library collection.
- Your child will receive a wonderful keepsake - a bookmark with a picture of your child holding the book that they selected for Birthday Book Club!

The Library Birthday Book Club is open to students from K through Grade 8 as well as faculty and staff. Honorariums and memorials are also welcome...a gift to the library is a wonderful way to honor a special event or to remember a special person. Why not begin a tradition that can last several years by joining the Library Birthday Book Club!

Thank you for your support of the Norwood Public School Library! Please feel free to email or call the school library with any questions.
